CITY OF MARKHAM

COMMUNITY LIAISON COMMITTEE MEETING #4

April 25, 2024

6:30 p.m. to 8 p.m.

LAND ACKNOWLEDGEMENT

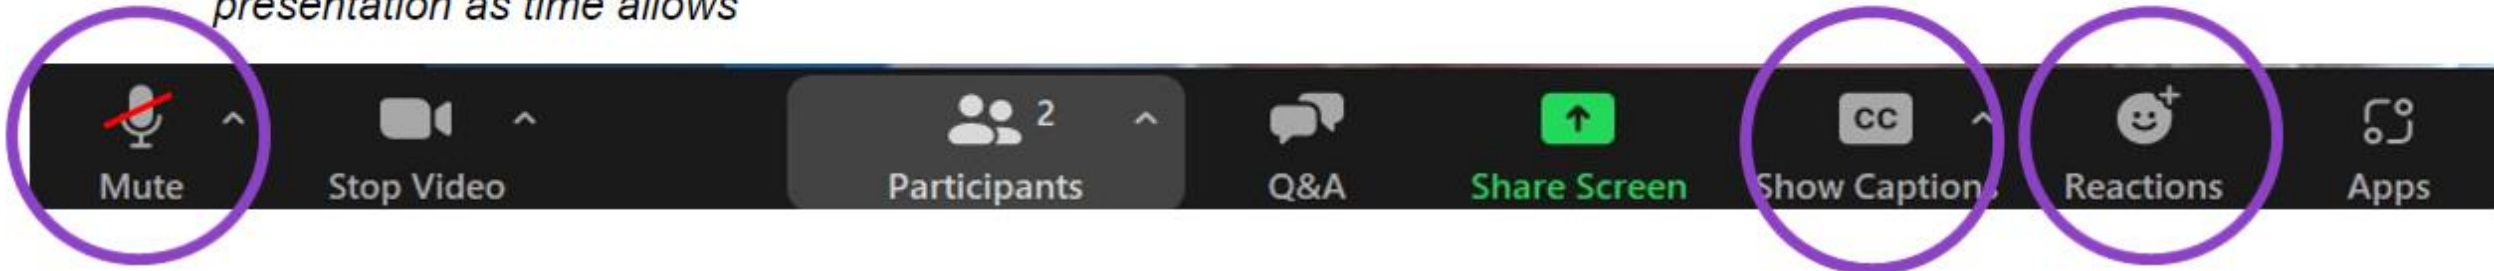

"We acknowledge that York Region is located on the traditional territory of many Indigenous Peoples including the Anishinaabeg, Haudenosaunee, Huron-Wendat and Métis peoples and the treaty territories of the Haudenosaunee, Mississaugas of the Credit First Nation and Williams Treaties First Nations. Today this area is home to many diverse Indigenous Peoples, and we recognize their history, spirituality, culture and stewardship of this land. We also acknowledge the Chippewas of Georgina Island First Nation as our closest First Nation community."

PROJECT UPDATES

Key Discussion Topics at CLC Meeting #3 (October 26, 2023)

Below is a summary of key discussion topics at our last CLC Meeting. Thank you to all CLC members for your participation and the insightful discussion.

1

Building Design

- Building height – relationship of 6-storey section and neighbouring properties
- Garbage collection logistics
- Snow storage and TRCA regulations

3

Detailed Design Considerations

- Next steps for HVAC system design
- Construction cost and industry trends
- Construction approach (e.g., design-bid-build vs design-build)

2

Traffic and Pedestrian Considerations

- Amount of resident and visitor parking
- 14th Avenue sidewalk – on this site and beyond

4

Community Engagement Opportunities

- Opportunity for more community engagement with nearby neighbours
- Discussion on best ways to advertise upcoming events

Engaging with the Community

Community consultation and engagement is critical to address community considerations and build an inclusive community where everyone has a place to call home. We've engaged with the Box Grove community and beyond on this project:

2 Public Information Centres	3 Postcard mailings, with a 1,500+ reach
4 City of Markham meetings, including Statutory Public Meeting and Councillor Town Hall	57 Households visited door to door
6 E-newsletters sent	114 Community members participated in PICs
3 Community Liaison Committee meetings	3,660 web page visits from January to December 2023

Public Information Centres

Safe housing is essential for everyone.

Planning Application Process

REVISED CONCEPT PLAN PRESENTATION

Key Building and Site Layout Updates

ORIGINAL APPLICATION

Original Two-phase Concept—Submitted January 2022

Units:	154 (1 and 2 bedrooms)
Gross Floor Area:	13,035 m ²
Height:	4 and 6 storeys
Parking:	154 vehicle parking spaces 58 surface, 96 underground
Bicycle Parking:	26 long-term and 4 short-term spaces
Landscaped Open Space:	5,336 m ²

REVISED APPLICATION

Revised Single-phase Concept—Resubmitted December 2023

Units:	153 (1, 2, 3+ bedrooms)
Gross Floor Area:	11,369 m ²
Height:	4 and 6 storeys
Parking:	169 vehicle parking spaces 23 surface (visitor), 146 underground (resident)
Bicycle Parking:	78 long-term and 15 short-term
Landscaped Open Space:	5,991 m ²

Incorporating Feedback on the Site Plan

The revised proposal incorporates several key comments from Markham Council and City staff discussed at the previous Public Meeting, including:

Parking and Transportation Considerations

1. Right-in, right-out entrance on Donald Cousens Parkway
2. Increased parking for residents and visitors while reducing surface parking
3. Relocated underground parking ramp entrance

Active Transportation Amenities

4. Secured bike storage and bike repair station in underground garage
5. Proposed sidewalk connection on 14th Avenue

Transit Opportunities

6. Dedicated layby for door-to-door transit connectivity

Environmental Impacts

7. Coordinated with TRCA regarding floodplain setbacks
8. Reconfigured building provides more landscaped open space and outdoor amenity space

Building Height and Location

9. Shifted building north by relocating staging area
10. Stepback in height from 4 to 6 storeys provides transition

Fitting into the Neighbourhood Context

PROPOSED BUILDING MASSING

- Tallest element of building (six storeys) massed along Donald Cousens Parkway
- Four-storey element provides transition to low-rise buildings fronting Vettese Court

PROPOSED BUILDING MASSING

- Official Plan policy 8.2.4.5 requires development adjacent to low-rise neighbourhoods to fit within a 45-degree angular plane measures from the low-rise property line
- As shown above, the proposed development was designed to meet this standard.

Preliminary concept only – final building design and site layout features will be determined through the site plan review process and will be subject to approval by the City of Markham

PROJECT SCHEDULE AND NEXT STEPS

Project Timeline

2020 PROJECT LAUNCH

- Rapid Housing Initiative Launch and candidate site selection
- Coordination with Public Works

2021-2024 CONCEPT DEVELOPMENT and PLANNING APPROVALS

- Feasibility and due diligence
- Retain architect for planning applications
- Develop concept plan
- Host regular CLC and PICs during design development
- Submit planning applications (Official Plan, Zoning By-law and Site Plan)
- Hold statutory Public Meeting(s)

2024-2025 BUILDING PERMIT

- Retain comprehensive architectural design team
- Detailed design
- Obtain building permit
- Retain builder
- Preliminary site works

2025-2027 CONSTRUCTION

- Regular updates to community
- Rent-up and occupancy

* Specific dates may change depending on planning application process, confirmation of funding, and site and construction considerations

Next Steps

- York Region is beginning its search for a builder. A Request for Prequalification was released in March 2024.
- The project team is proceeding with Site Plan Approval to address final comments from the City of Markham.
- The project team will prepare detailed design drawings and apply for permits after Site Plan Approval is obtained.
- Above-grade construction is anticipated to begin in Q1 2025.
- The next CLC meeting will occur closer to construction start—the date is TBD and will be communicated to all CLC members in advance.

THANK YOU

Addressing City Comments and Community Feedback

PARKING AND TRAFFIC CONSIDERATIONS

- Enhancing parking amenities, including dedicated underground parking for residents and surface parking for visitors
- Minimizing impact of surface parking on neighbouring properties
- Improving site circulation by adding a proposed right-in/right-out access on Donald Cousens Parkway
- Undertaking parking studies to ensure the proposed parking responds to future resident needs based on existing HYI locations

ACTIVE TRANSPORTATION AMENITIES

- Increasing dedicated bike parking, including secure indoor bike storage rooms for visitors and outdoor parking for visitors
- Providing a new bike repair station for residents in the underground garage
- Providing a sidewalk connection along 14th Ave frontage

TRANSIT OPPORTUNITIES

- Proposing a layby near the building's main entrance for door-to-door transit connectivity
- Exploring existing on-demand transit services provided by YRT to support future residents
- Exploring YRT education and outreach opportunities to connect future residents with transit resources and information

ENVIRONMENTAL IMPACTS

- Locating the building and parking areas further away from regulated areas
- Supporting more landscaped space by reducing the building footprint

BUILDING HEIGHT AND LOCATION

- Relocating building to minimize impacts and respect privacy
- Respecting angular plane requirements under City of Markham's Urban Design Guidelines
- Relocating underground parking ramp further away from neighbouring properties on Vettese Court

COMMUNITY SUPPORT

- Community members have shared support for increasing the number of affordable housing options in Box Grove
- Revised proposal supports more family-sized units, creating homes for a complete community
