

PARKING ENFORCEMENT INFORMATION

To avoid being ticketed and/or towed, please follow Housing York Inc.'s (HYI) parking rules. Below are some reminders:

1. Residents require a parking permit to park at HYI properties. The parking permit must be clearly displayed. Register and update your vehicle information with the HYI office if your information changes.
2. Only guests of HYI residents are permitted to park in spaces marked as visitor parking.
3. Residents must obtain an overnight visitor parking permit for their guest vehicle. You can obtain a permit online or by phone (processes are indicated below).
4. Each HYI unit is only permitted **8** overnight visitor parking permits per month.
5. Parking in laneways is NOT allowed because laneways are fire routes and must always remain clear.
