

MEET ONTARIO'S BATS

Bats are a very unique and diverse group of animals, but they are misunderstood and feared by people. Ontario has eight species of bats and all of them eat insects.

Unfortunately, half of these species are listed as endangered!

Big Brown Bat

Eastern Red Bat

Hoary Bat

Silver-haired Bat

LISTED AS ENDANGERED

Little Brown Myotis

Eastern Small-footed Myotis

Northern Myotis

Tricolored Bat
