**Subject: In Consideration of a Renewed Commitment to the Greenbelt**

At its meeting on April 30, 2018, Oakville Town Council approved the following motion:

***WHEREAS, the Greenbelt is an integral component of land use planning that complements the Growth Plan to encourage smart planning, the reduction of sprawl, protection of natural and hydrological features and agricultural lands; and***

***WHEREAS, the Greenbelt has protected 1.8 million acres of farmland, local food supplies, the headwaters of our rivers and important forests and wildlife habitat for over 12 years; and***

***WHEREAS, a permanent Greenbelt is an important part of the planning for sustainable communities; and***

***WHEREAS, there is a tremendous amount of land already planned and available in excess of the development needs of the GTA without weakening the protections provided by the Greenbelt; and***

***WHEREAS, efforts to open the Greenbelt create the opportunity for land speculators to build expansive homes, at immense profits, in remote areas; and***

***WHEREAS, opening the Greenbelt will move the urban boundary thus creating more sprawl and increased traffic; and***

***WHEREAS, the costs of sprawl result in increased taxes, because 25% of the costs of sprawl are downloaded to existing property tax payers; and***

***WHEREAS programs like the proposed inclusionary zoning regulations will assist municipalities in advancing the supply of affordable housing stock without the need to expand the built boundary;***

***WHEREAS the Town of Oakville was the originator of the Urban River Valley designation;***

**Subject: In Consideration of a Renewed Commitment to the Greenbelt**

***THEREFORE BE IT RESOLVED,***

***THAT the Town of Oakville stand with its municipal neighbours to undertake continued action to maintain and grow the current Greenbelt; and***

***THAT the province be strongly urged to extend Greenbelt protection to include the appropriate whitebelt lands within the inner ring, lands that are the most immediately vulnerable to development in the province; and***

***THAT this resolution be distributed to the leaders of all parties represented in the Legislature, the Minister of Municipal Affairs, all Greater Golden Horseshoe municipalities, the Association of Municipalities of Ontario, Environmental Defence, Friends of the Greenbelt Foundation and members of Municipal Leaders for the Greenbelt.***
