Subject: Conservation award nominations now open

Hello,

Could this message please be passed along to the Chair of the Committee of the Whole (1) to share at their next meeting?

Do you know someone who is a Lake Simcoe Watershed Hero? Maybe their efforts are inspiring great strides in conservation education? Or their project will result in long term conservation benefits to the health of a community? Which youth have taken it upon themselves to do something profoundly impactful to preserve our environment?

The Lake Simcoe Region Conservation Awards Nominations open April 3, 2018 to June 15, 2018.

We'd like to request that you share this information at your next meeting on **April 5th** and consider [Submitting a Nomination](#) for a 2018 Conservation Award.

Watershed heroes can win an award in the following categories:

1. [Healthy Water](#)
2. [Healthy Lands](#)
3. [Health Communities](#)
4. [Ernie Crossland Young Conservationist Award](#)
5. [George R. Richardson Award of Honour](#)

The award ceremony will take place on Tuesday October 16, 2018 at Madsen's in Newmarket. At the event, we will take the opportunity to recognize their efforts and celebrate their successes.

Thank you for taking the time to consider the countless residents of all ages who demonstrate their commitment to our region's natural heritage for the benefit and enjoyment of future generations. If you have any questions about the nomination process, please do not hesitate to reach out or visit our [website](#) for more information.

Have a wonderful weekend,

Joanne
