Subject: Directly Elect Regional Council Chair - NOW - You Have My SUPPORT

As a long time Resident of York Region I would like to through my support behind the direct election of York Region's Chair by popular vote.

This will give greater accountability and a clear mandate from York Region Residents.

In saying this, **I SUPPORT** Markham Regional Councillor Joe Li 's motion, in support of MPP **Chris Ballard's BILL 42**, which specifies the Chair of York Region is elected by popular vote rather by appointment by the Council of Regional Municipality.

Kind Regards,
