

Town of Newmarket

Completed

West Side of Fairy Lake

Paving of an off-road multi-use path was completed in 2015 by the Town of Newmarket.

Nokiidaa Trail

The Newmarket segment connects Aurora and East Gwillimbury through the Nokiidaa and Tom Taylor Trail.

Keith Bridge at Davis Drive

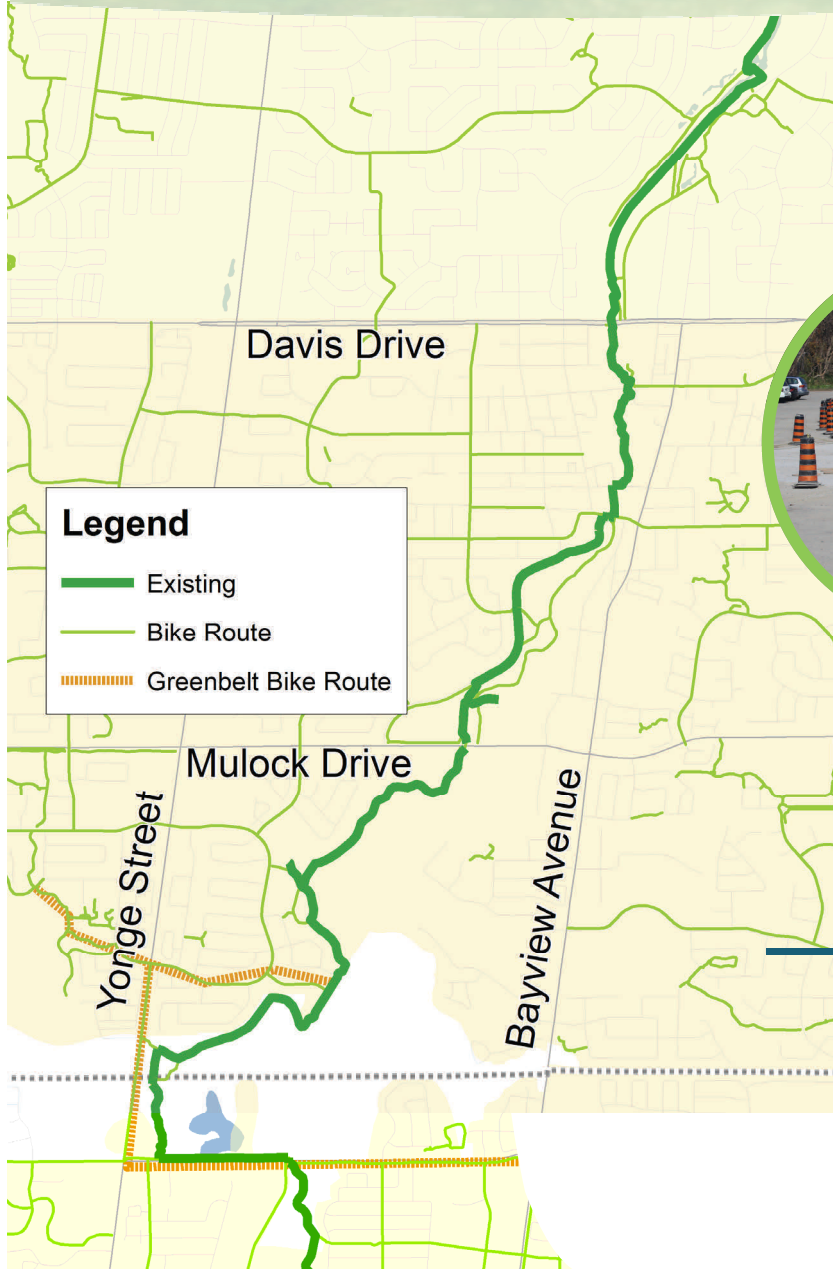

A trail underpass crossing of Davis Drive was completed near Prospect Street. Reconstruction finished in 2014.

Water Street Pedestrian Refuge Island

The Town of Newmarket implemented a pedestrian refuge island to improve safety at the Water Street crossing.

Town of Newmarket

Future Enhancements

Tannery Mall/GO Station Trail Improvements

The project is located along the west side of the Holland River just north of the Keith Bridge. The trail project is proposed from the existing bridge crossing the Holland River to the GO Station parking lot where Metrolinx will be completing the trail connection to the existing Tom Taylor Trail on the west side of the Holland River. These improvements are expected to be completed by the end of 2019.
